FALL Middle School Program: *We are so excited to be adding a 2nd middle school team this fall for grades 6-8 (with the option for advanced 5th graders too!). This program will run on Sundays and Wednesdays. There is some travel to games on Sundays in Wellesley & Cohasset, but Wednesdays will be at Milton Academy for practices. The goal of this program is to really teach the players the rules of the game & to begin to better prepare them for high school field hockey. Schedule will be released in August, but space is limited.*

Program will be limited to 60 players max. Players will be broken into 2 teams (Red & White) based on skills & experience. We encourage new players to experience the skills in the K-8 program before joining this next level.

Middle School Team Tuition: \$200 includes reversible pinnie & socks
